Dear Mike,

Please accept this letter to use as a referral or recommendation.

Gibson Guess Architects has enjoyed working with you on residential, commercial and institutional work. You have historically been on budget and on time. Your estimating and bidding services have been invaluable to us in project development and coordination with Owners. Most importantly, we never hesitate to recommend you as a builder and as a person with integrity.

Please feel free to share our contact information as a reference. Best of luck to you.

Sincerely,

Reggie Gibson
