To whom it may concern:

I am writing as a reference for Mike Taylor of TM Taylor Construction, Inc. Mike was in charge of the construction of our vacation home in Yonge's Island, South Carolina, which was built in 2001-2002. Since then, he has built several improvements and additions, including a horse stable and a large storage shed. All the work was performed to our expectations.

We have found Mike to be honest and reliable. He also provides constructive suggestions for achieving goals at a lower cost.

I recommend Mike Taylor for any construction work you are considering. Please feel free to contact me if you require additional information.

Very truly yours,

James C. Vardell, III
